Dear Sir

I Herewith I am forwarding to you for information a letter from "Patterson Evening News" dated December 1, 1958. Regarding our mosque and community.

I am not angry for the same points but it is too late. I believe it appears to much promising as far as I am concerned. It is my first lesson as far as local news men are concerned.

I was telling him how we managed to buy a store and convert into a mosque and all other things. I was telling him no off records but he putted them all down even adding in numbering our community.

Sincerely,
T. Scott

P.S.

Please to confirm receipt of
this letter.

Thanks
